

Sankalp India Foundation®

Highlights 2009-10

Sankalp Resources Streamlined

- Last year Sankalp organised more than 100 blood donation and education programmes.
- All the stationary and publications used for these programmes were arranged by the Resource Team
- We get good quality material at cheapest price by making a simple online request.
- Organization moves ahead faster 😊

Sankalp Tech

- When engineers run an organization you are bound to have technology
- We have plenty of it.
- Last year 6 new portals included in Sankalp
- These allow us to ensure that the work is procedural and systematic.
- Quality and deterministic behavior with effective communication is powered by Sankalp tech

Disaster Mitigation and Management Wing

- Next time there is a major disaster in the country – expect us to respond faster- better and in a more effective way.
- Sankalp DMMG has put together a plan to ensure operational readiness all the time and in on the way to implement it.
- Sankalp Disaster Response Partners is being announced to ensure speedy participation

Transparency Compliance and Accountability

- Apart from all legal compliances being in place Sankalp reached 2 milestones last year
 - 80G exemption was given by the IT department after careful scrutiny of our processes
 - Sankalp became a member of Credibility Alliance – consortium of 400 NGOs who stand for transparency and accountability.

Mass Communication

- The Public Relations Team ensured that the services that we offer to the people are communicated to them well.
- The campaigns were well augmented with mass communication.
- We had articles in the following newspapers

Bangalore Mirror | DNA | Kannada Prabha | Radio
Rainbow | Radio Indigo | Radio Active | The Hindu
Times of India | Vijay Karnataka | Outlook Money
Kasturi Channel

Rakta Kranti Karnataka

- Problem of blood shortage outside Bangalore is much severe
- This program was initiated to increase student participation for the cause of blood donation.
- 16 in Belgaum, 15 in Bellary, 19 in Davangere, 20 in Dharwad, 13 in Kolar, 11 in Mysore, 12 in Raichur, 23 in Shimoga were visited, thereby making a total of 116 colleges.
- A total of 26 colleges were covered for Team Red trainings where more than 400 students were trained.
- 8 blood donation drives were held with a total of 632 units

Emergency Wing

- Emergency requests from across the state increased – and emergency team matched the growth
- Platelet apheresis was strengthened
- The process flow within the team was strengthened to ensure every request gets best possible help.

Karnataka Flood Relief

- When floods hit North Karnataka Sankalp responded in 72 hours.
- We delivered 1008 sets of utensils and other commodities to flood hit Raichur
- Total funds mobilization was Rs. 235875/-
- Help was taken from local friends to ensure that the goods reach the most needy people.

10K Donations in Rakta Kranti Bangalore

- In March 2009 Sankalp completed 10000 donation in blood donation camps in Bangalore.

CTC Disha reaches 94% of Karnataka

- The blood helpline that promises safety and service to Karnataka reached 94% of the state.
- 17 districts are networked to the helpline.
- Bagalkot, Bangalore (Urban), Belgaum, Bellary, Bijapur, Dakshina Kannada, Davanagere, Dharwad, Gadag, Gulbarga, Haveri, Kolar, Mysore, Raichur, Shimoga, Tumkur and Udupi are networked.

Thank you 😊
