Ah! Not for idle Hatred

Not for Honour, Fame ,

Nor self Applause

But for the glory of the cause

They died for me

Food for Mind

We consider it horrible that people should have their heads cut off, but we have not been taught to see the horror of life long death which is inflicted upon a whole population by poverty and tyranny.

Unless the exploitation of man by man and of nations by nations is brought to an end, sufferings and carnage with which humanity is threatened today cannot be prevented.

The whole edifice of this civilization, if not saved in time, shall crumble. Radical change is therefore necessary.

I am a man and all that affects mankind.. concerns me.

It is easy to kill individuals but you cannot kill the ideas, Great empires crumbled while the ideas survived.
